RECOMMENDED CASH ACQUISITION

of

Atrium European Real Estate Limited

by

Nb (2019) B.V.

an indirect wholly-owned subsidiary of Gazit-Globe Limited

to be implemented by means of a scheme of arrangement under Article 125 of the Companies Law

Summary

- The Independent Committee of the Board of Directors of Atrium European Real Estate Limited (“**Atrium**”) and the board of directors of Nb (2019) B.V. (“**Bidco**”), which is an indirect wholly-owned subsidiary of Gazit-Globe Limited (“**Gazit**”), are pleased to announce that they have reached an agreement on the terms and conditions of a recommended cash acquisition (the “**Acquisition**”) of the entire issued and to be issued ordinary share capital of Atrium that is not already owned directly or indirectly by Gazit or its affiliates (including, in particular, Gazit Gaia Limited (“**Gaia**”) and Gazit Midas Limited (“**Midas**”). The Independent Committee of the Board of Directors intend to recommend unanimously that Atrium Shareholders vote (or procure the voting) in favour of the Scheme at the Court Meeting and in favour of the Resolutions to be proposed at the General Meeting.
- Under the terms of the Acquisition, each Scheme Shareholder will be entitled to receive:
 - for each Scheme Share: EUR 3.75 in cash (the “Offer Price”)**
- The Offer Price represents a premium of approximately:
 - 18.3 per cent. to the Closing Price of €3.17 for each Atrium Share on the Last Practicable Date;
 - 18.0 per cent. to the volume-weighted average price of €3.18 for each Atrium Share for the one-month period ended on the Last Practicable Date; and
 - 15.3 per cent. to the volume-weighted average price of €3.25 for each Atrium Share for the three-month period ended on the Last Practicable Date.

- The Acquisition values the entire issued and to be issued ordinary share capital of Atrium not already owned by Gazit and its affiliates (including, in particular, Gaia and Midas) at approximately €565 million and Atrium's entire issued and to be issued ordinary share capital at approximately €1.4 billion.
- As at the date of the Announcement, Gazit and its affiliates Gaia and Midas together own approximately 60.1% of Atrium's issued share capital.
- The Offer Price is to be paid in cash. However, prior to the Effective Date, Atrium expects to pay a special dividend to all holders of Atrium Shares on the Special Dividend Record Date of up to €0.60 per Atrium Share (the "**Special Dividend**"). To the extent that the Special Dividend is paid prior to the Effective Date, the Offer Price payable by Bidco will be reduced by an amount equal to the amount of such Special Dividend.
- Save for the Special Dividend, Atrium does not intend to announce, declare, make or pay any dividend or other distribution on or after the date of this Announcement and prior to the Effective Date. If any such dividend or distribution is announced, declared, made or paid during such time, Bidco will reduce the Offer Price by an amount equal to the amount of such dividend or other distribution for each Atrium Share, except where the Scheme Shares are or will be acquired pursuant to the Scheme on a basis which entitles Bidco to receive and retain such dividend or other distribution. If Bidco makes such a reduction in respect of a dividend or other distribution, Atrium Shareholders will be entitled to receive and retain such dividend or other distribution.
- It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Article 125 of the Companies Law.
- Bidco and Atrium have entered into the Implementation Agreement in connection with the Acquisition. The Implementation Agreement regulates certain actions in relation to the Acquisition, and includes a "Go-Shop" provision. Pursuant to the Go-Shop, the Independent Committee of the Board of Directors is entitled for a period of seven weeks following the date of this Announcement to solicit alternative offers from third parties which are superior to the Acquisition. If a Superior Proposal is received, in certain circumstances the Independent Committee of the Board of Directors may rescind its recommendation and recommend the Superior Proposal. If this takes place, Gazit has confirmed to Atrium that it will consider any Superior Proposal in good faith. In certain circumstances, if the Independent Committee of the Board of Directors withdraws, modifies or qualifies its recommendation of the Acquisition or following the satisfaction of the Condition relating to shareholder approval of the Scheme, fails to file documents with the Court or makes statements that it no longer supports the Acquisition, Atrium will be obliged to pay a break fee of €10 million to Bidco (the "**Break Fee**"). Further details of the Implementation Agreement, the Go-Shop and the Break Fee are set out in paragraph 7.
- The Acquisition will be subject to the Conditions, including the Material Adverse Change Condition, and further terms set out in Appendix 1 to this Announcement and to be set out in the Scheme Document. If Bidco invokes the Material Adverse Change Condition, Bidco will be obliged to pay a break fee of €10 million to Atrium (the "**Reverse Break Fee**"). Further details of the Reverse Break Fee are set out in paragraph 7.

- The Independent Committee of the Board of Directors has received a fairness opinion letter from UBS as to the financial terms of the offer, subject to the terms and conditions set out therein.
- In addition, Lazard is acting as financial adviser to the Independent Committee of the Board of Directors in relation to the Acquisition.
- Accordingly, and assuming that there is no Superior Proposal, the Independent Committee of the Board of Directors confirm that they intend to recommend unanimously that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and the Atrium Shareholders vote in favour of the Resolutions to be proposed at the General Meeting, as the Independent Committee of the Board of Directors who are interested in Atrium Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 83,691 Atrium Shares. Further details of these undertakings, including the circumstances in which they cease to be binding are set out in Appendix 2.
- The terms of the Acquisition will be put to the Scheme Shareholders at the Court Meeting and Atrium Shareholders at the General Meeting (which is expected to take place immediately following the Court Meeting). The Court Meeting and the General Meeting are required to enable Atrium Shareholders to consider, and if thought fit, vote in favour of the resolutions to approve the Scheme and its implementation. In order to become Effective, the Scheme must be approved by a majority in number of Scheme Shareholders, present and voting at the Court Meeting, whether in person or by proxy, representing not less than 3/4ths of the total voting rights held by those Scheme Shareholders. In addition, the Resolution required to implement certain matters in connection with the Scheme must be passed by Atrium Shareholders representing at least two thirds of the votes cast at the General Meeting.
- Full details of the Acquisition will be set out in the Scheme Document. It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will, following the Go-Shop period, be published within 12 weeks of this Announcement. An expected timetable of principal events will be included in the Scheme Document.
- Following the sanction of the Scheme by the Court on the Court Hearing Date, Atrium will effect a series of steps to optimise the group structure (the “**Group Optimisation Steps**”). Further details of the Group Optimisation Steps are set out in paragraph 7.
- The Acquisition is expected to become Effective on 2 January 2020, subject to satisfaction (or, where applicable, waiver) of the Conditions and further terms set out in Appendix 1 to this Announcement.
- Gazit has entered into a binding agreement with Menora Mivtachim Insurance Ltd. (“**Menora**”) to sell on the Effective Date, or shortly thereafter, Atrium Shares with a value of up to €150 million (which equates to approximately 12% of the Atrium share capital) at the Offer Price (less any dividend or distribution paid prior to the Effective Date (including the Special Dividend). The agreement with Menora is conditional on the Acquisition becoming Effective.

- Michael Errichetti, a member of the Independent Committee of the Board of Directors of Atrium, said:
- *“The Independent Committee of the Board of Directors has received an offer from Gazit to purchase the shares of Atrium it does not currently own. The offer is subject to a Go Shop provision and will be conducted through a scheme of arrangement which requires, among other things, the approval of 3/4 or more of the voting rights of those minority shareholders of Atrium present and voting at the Court Meeting, whether in person or by proxy. The Independent Committee of the Board of Directors retained financial and legal advisors to evaluate the offer and negotiate the best possible terms and conditions for minority shareholders. In addition, the Independent Committee of the Board of Directors has received a fairness opinion letter from UBS as to the financial terms of the offer, subject to the terms and conditions set out therein. Therefore, the Independent Committee of the Board of Directors unanimously recommends Gazit’s offer to shareholders for their consideration.”*
- Commenting on the Announcement Chaim Katzman, CEO and Chairman of Bidco and of Gazit, said:

“Atrium holds a high quality portfolio, largely located in the capital cities of Poland and the Czech Republic—Warsaw and Prague—and has a strong, experienced management team. Gazit acquired a material stake in Atrium 11 years ago and is familiar with the company, its assets and their embedded potential. Direct ownership over assets such as those held by Atrium furthers our strategy to directly own and improve irreplaceable properties in densely populated urban areas with future growth potential. We are very happy to have Menora Mivtachim join us as a partner in this investment.”

US Holders

US Holders should note that the Acquisition relates to the securities of a Jersey company listed on the Amsterdam Stock Exchange and the Vienna Stock Exchange and is subject to Dutch, Austrian and Jersey disclosure requirements and practices (which are different from those of the US) and is proposed to be implemented under a scheme of arrangement under Jersey company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules under the US Exchange Act, and the proxy solicitation rules under the US Exchange Act will not apply to the Acquisition. The Scheme will be subject to Dutch, Austrian and Jersey disclosure requirements and practices, which are different from

the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this Announcement and the Scheme Document has been or will have been prepared in accordance with IFRS, and thus may not be comparable to financial information of companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US.

The receipt of cash pursuant to the Acquisition by a US Holder as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Atrium Shareholder is urged to consult his independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him.

It may be difficult for US Holders to enforce their rights and claims arising out of the US federal securities laws, since Bidco and Atrium are located in countries other than the US, and some or all of their officers and directors may be residents of countries other than the US. US Holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Forward looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Bidco, Gazit and Atrium contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Bidco, Gazit and Atrium about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on Bidco, Gazit and Atrium, the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Although Bidco, Gazit and Atrium believe that the expectations reflected in such forward-looking statements are reasonable, Bidco, Gazit and Atrium can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; as future market conditions, changes in

general economic and business conditions, the behaviour of other market participants, the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco, Gazit and Atrium operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Bidco, Gazit and Atrium operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors. Neither Bidco, Gazit nor Atrium, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations, neither Bidco nor Atrium is under any obligation, and Bidco, Gazit and Atrium expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

RECOMMENDED CASH ACQUISITION

of

Atrium European Real Estate Limited

by

Nb (2019) B.V.

an indirect wholly-owned subsidiary of Gazit-Globe Limited

to be implemented by means of a scheme of arrangement under Article 125 of the Companies Law

1. Introduction

The Independent Committee of the Board of Directors of Atrium European Real Estate Limited (“**Atrium**”) and the board of directors of Nb (2019) B.V. (“**Bidco**”), which is an indirect wholly-owned subsidiary of Gazit-Globe Limited (“**Gazit**”), are pleased to announce that they have reached an agreement on the terms and conditions of a recommended cash acquisition (the “**Acquisition**”) of the entire issued and to be issued ordinary share capital of Atrium that is not already directly or indirectly owned by Gazit and its affiliates (including Gazit Gaia Limited (“**Gaia**”) and Gazit Midas Limited (“**Midas**”). The Independent Committee of the Board of Directors intend to recommend unanimously that Atrium Shareholders vote (or procure the voting) in favour of the Scheme at the Court Meeting and in favour of the Resolutions to be proposed at the General Meeting. The Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Article 125 of the Companies Law.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document, each Atrium Shareholder will be entitled to receive:

for each Scheme Share: EUR 3.75 in cash (the “Offer Price”)

The Offer Price represents a premium of approximately:

- 18.3 per cent. to the Closing Price of €3.17 per Atrium Share on the Last Practicable Date;

- 18.0 per cent. to the volume-weighted average price of €3.18 for each Atrium Share for the one-month period ended on the Last Practicable Date; and
- 15.3 per cent. to the volume-weighted average price of €3.25 for each Atrium Share for the three-month period ended on the Last Practicable Date.

The Acquisition values the entire issued and to be issued ordinary share capital of Atrium not already owned by Gazit and its affiliates (including, in particular, Gaia and Midas) at approximately €565 million and Atrium's entire issued and to be issued ordinary share capital at approximately €1.4 billion.

3. Background to and reasons for the Acquisition

Gazit and Bidco believe that Atrium is an attractive platform, with a highly experienced, talented management team operating a portfolio of high-quality dominant shopping centres, which is reflected in Atrium's resilient operating performance. Gazit has been a material shareholder of Atrium for the last 11 years and as a long-term investor in Atrium, has strong conviction that the shopping centres within Atrium's portfolio will continue to be key components of the European retail landscape.

As a private company, Atrium will be directly supported by Gazit and Bidco's knowledge, sector expertise and access to capital. Gazit and Bidco believe that, under private ownership and supported by the collective expertise of Gazit and Bidco, Atrium would be better able to make the significant capital investments that will be required in order to maximise and sustain its high-quality portfolio of assets and meet the changing dynamics of the retail sector. Gazit and Bidco also believe that there are opportunities for growth through the re-development and expansion of existing assets as well as to potentially enter into other asset classes through the acquisition of new assets in densely populated urban markets in Europe

4. Recommendation

The Independent Committee of the Board of Directors has received a fairness opinion letter from UBS as to the financial terms of the offer, subject to the terms and conditions set out therein.

In addition, Lazard is acting as financial adviser to the Independent Committee of the Board of Directors in relation to the Acquisition.

Accordingly, and assuming that there is no Superior Proposal, the Independent Committee of the Board of Directors confirm that they intend to recommend unanimously that the Scheme Shareholders vote in favour of the Scheme at the Court Meeting and that Atrium Shareholders vote in favour of the Resolutions to be proposed at the General Meeting, as the Independent Committee of the Board of Directors who are interested in Atrium Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 83691 Atrium Shares. Further details of these undertakings, including the circumstances in which they cease to be binding are set out in Appendix 2.

5. Background to and reasons for the recommendation

The Independent Committee of the Board of Directors have received a fairness opinion letter from UBS as to the financial terms of the offer, subject to the terms and conditions set out therein. Therefore, the Independent Committee of the Board of Directors unanimously recommends Bidco's offer to the Atrium Shareholders for their consideration.

In the negotiation, which has led to the Announcement, the Independent Committee of the Board of Directors have been focused on conducting an arm's length process and ensuring that the terms of the Acquisition safeguard the interests and the rights of the minority Atrium Shareholders. Therefore, the Acquisition will be effected by way of a scheme of arrangement under Jersey law, in the context of which, Atrium and Bidco have entered into an Implementation Agreement. The Implementation Agreement includes a number of covenants that aim to protect the minority Atrium Shareholders.

First, the Implementation Agreement provides for a 7 week Go-Shop provision which enables the company to actively reach out to credible investors with the aim of generating a Superior Proposal. If such Superior Proposal is received, the Independent Committee of the Board of Directors of the Company may in certain circumstances rescind its recommendation for the acquisition by Bidco and instead recommend the Superior Proposal. If no such Superior Proposal is received, the Independent Committee of the Board of Directors will proceed with the offer by Bidco.

Second, the implementation of Bidco's offer via a Court-sanctioned scheme of arrangement ensures it can only succeed if at least 3/4 of the minority Atrium Shareholders who vote (by proxy or in person) at the meeting (which will exclude Gazit and its affiliates) vote in favour of the Scheme and provided further that such minority Atrium Shareholders represent a majority in number of those voting. Additionally, Atrium Shareholders representing two thirds of the votes cast at the General Meeting need to vote in favour of implementing the Scheme at the General Meeting.

Finally, the majority of Atrium's board will remain independent until such time as the Gazit offer completes, which is expected to occur in January 2020.

6. Irrevocable Undertakings

As described above, all members of the Independent Committee of the Board of Directors who hold Atrium Shares have irrevocably undertaken to vote, or procure votes, in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting in respect of their own beneficial holdings of 83,691 Atrium Shares.

The undertakings from the members of the Independent Committee of the Board of Directors will cease to be binding on the earliest of (1) the Scheme lapsing or being withdrawn in accordance with its terms; (2) the Implementation Agreement terminating in accordance with its terms; and (3) Bidco publicly announcing, with the consent of Atrium and any relevant authority (if required) and before the Scheme Document is posted, that it does not intend to proceed with the Scheme.. Further details of these irrevocable undertakings are set out in Appendix 2 to this Announcement.

Bidco will also procure undertakings from its concert parties confirming that such parties will be bound by the Scheme, together with an undertaking from Gazit to vote in favour of the Resolutions at the General Meeting.

7. Implementation Agreement

Bidco and Atrium have entered into the Implementation Agreement pursuant to which Atrium and Bidco have each undertaken, among other things, to provide information and assistance in connection with preparation of the Scheme Document and implementation of the Scheme.

The Implementation Agreement records the intentions of Bidco and Atrium to implement the Acquisition by way of a Scheme. The Implementation Agreement contains provisions in relation to the Share Schemes and to the treatment of employees as summarised in paragraph 13 and 14 below.

The Implementation Agreement will terminate if:

- any Condition is invoked or the Scheme lapses;
- the Effective Date not occurring on or before the Longstop Date;
- by notice in writing from Bidco to Atrium if the Scheme Document does not include a recommendation from the Independent Committee of the Board of Directors;
- Bidco and Atrium agree in writing;
- by notice in writing from either Atrium or Bidco to the other party if: (i) the Independent Committee of the Board of Directors withdraw, modify or qualify their recommendation of the Acquisition or fail to prepare and file such documents as are required by the Court in connection with the Court Hearing in accordance with the timetable set by the Court or make statements that they no longer support the Acquisition, (ii) if the Company makes an announcement that the Independent Committee of the Board of Directors intend to do so or (iii) if a competing transaction completes, becomes effective in accordance with its terms or becomes unconditional in all respects.

The Implementation Agreement includes a Go-Shop provision pursuant to which the Independent Committee of the Board of Directors may solicit the making of any proposal in respect of a third party to acquire all of the Atrium Shares or all or substantially all of the consolidated assets of Atrium's business. If an approach is received which the Independent Committee of the Board of Directors believes is a Superior Proposal, it is required to notify Bidco of such proposal and Bidco has a right to issue a revised proposal which the Independent Committee of the Board of Directors shall consider. Gazit has confirmed to Atrium that it will consider any Superior Proposals in good faith.

The Implementation Agreement includes an obligation on Atrium to pay the Break Fee to Bidco if the Independent Committee of the Board of Directors withdraw, modify or qualify their recommendation to vote in favour of the Scheme and/or the Resolutions prior to the sanction of the scheme by the Court or fail to prepare and file such documents as are required

by the Court in connection with the Court Hearing in accordance with the timetable set by the Court or make statements that they no longer support the Acquisition. The Break Fee shall not be payable if:

- (i) a Superior Proposal has been recommended by the Independent Committee of the Board of Directors and the Superior Proposal does not complete as a result of: (a) any member of the Gazit Group failing to vote for or tender into such Superior Proposal, in circumstances where a formal offer was made and such offer was capable of being voted on or tendered into or (b) a proposal was made conditional on obtaining a customary irrevocable undertaking from Gazit or members of the Gazit Group on terms which are agreed by Gazit or members of the Gazit Group (and such undertaking was not given); or
- (ii) Gazit invokes the Material Adverse Change Condition prior to the date of such withdrawal, adverse modification or qualification or failure by the Independent Committee of the Board of Directors to carry out certain actions in support of the Scheme.

The Implementation Agreement also includes an obligation on Bidco to pay the Reverse Break Fee to Atrium if Bidco invokes the Material Adverse Change Condition.

The Implementation Agreement prohibits Atrium from taking certain actions without the consent of Bidco, including, among other things, carrying on the business of Atrium other than in the ordinary course, declaring or paying a dividend (other than the Special Dividend), changing accounting policies of the Group, other than as permitted by fiduciary duties or as contemplated by the Implementation Agreement, issuing any shares (other than intra-group share issuances) and entering into any contracts other than in the ordinary course of business (the “**Restricted Actions**”).

Pursuant to the terms of the Implementation Agreement, Bidco has agreed that while the Implementation Agreement is in effect and in the event that: (i) the Scheme lapses; or (ii) the Effective Date doesn’t occur before the Longstop Date, for 6 months following such event, neither it nor any person acting in concert with it (as such term is defined within the Takeover Directive) in respect of the Acquisition may, announce or make any offer for all of the Atrium Shares not already held by Gazit or its affiliates, unless an independent third party not connected to Bidco publicly announces its intention to effect a transaction resulting in a change of control of Atrium.

The Implementation Agreement also includes an obligation on Atrium to procure, following the sanction of the Scheme by the court on the Court Hearing Date, the implementation of the Group Optimisation Steps. It is therefore anticipated that the Scheme will become Effective on 2 January 2020.

8. Further terms

The Offer Price is to be paid in cash. However, prior to the Effective Date, Atrium expects to pay the Special Dividend to all holders of Atrium Shares who are holders of such Atrium Shares on the Special Dividend Record Date, as part of its obligations under the Implementation Agreement. To the extent that the Special Dividend is paid prior to the

Effective Date, the Offer Price payable by Bidco will be reduced by an amount equal to such Special Dividend. The total consideration per Atrium Share received by each Atrium Shareholder will therefore constitute the Offer Price (reduced by the amount of the Special Dividend which is paid) and any Special Dividend that is paid.

Save for the Special Dividend, Atrium does not expect to propose, declare, make, or pay any distribution or return of value in respect of the Scheme Shares on or after the date of this Announcement. However, if any such distribution is paid or becomes payable prior to the Effective Date, Bidco will adjust the Offer Price accordingly by reference to the aggregate amount of the distribution that has been declared, made, paid or is payable, except where the Scheme Shares are or will be acquired pursuant to the Scheme on a basis which entitles Bidco to receive and retain such dividend or other distribution. If Bidco makes a reduction in respect of a dividend or other distribution, Atrium Shareholders will be entitled to receive and retain such dividend or other distribution. If any such dividend or distribution or return of value is paid or made after the date of this Announcement and Bidco exercises its rights described above, any reference in this Announcement to the consideration payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of the Announcement and shall not be regarded as constituting any revision or variation of the terms of the Scheme.

Atrium is established as a closed-end investment company incorporated and domiciled in Jersey and regulated by the Jersey Financial Services Commission as a certified Jersey listed fund, and is listed on both the Vienna Stock Exchange and the Euronext Amsterdam Stock Exchange. The majority shareholder of Atrium is Gazit with a 60.1% ownership.

11. Financing

The cash consideration payable to Scheme Shareholders pursuant to the Acquisition will be provided by Bidco from the Gazit Group's existing cash resources and credit facilities.

12. Offer-related Arrangements

Gazit has entered into a binding agreement with Menora Mivtachim Insurance Ltd. (“**Menora**”) to sell on the Effective Date, or shortly thereafter, up to €150 million of Atrium Shares (which equates to approximately 12% of Atrium share capital) at the Offer Price (as adjusted following the payment of the Special Dividend).

Gazit and Atrium entered into a confidentiality agreement on 26 November 2018 (which was subsequently amended on 27 May 2019) in relation to the Acquisition pursuant to which each party has undertaken, amongst other things: (a) to keep confidential information relating to the Acquisition and to the other party confidential and not to disclose it to third parties (other than certain permitted parties) other than as required by law or regulation; and (b) to use the confidential information solely for the purpose of considering, evaluating, advising on and/or furthering the Acquisition.

13. Share Schemes

Participants in the Share Schemes will be contacted regarding the effect of the Acquisition on their rights under these schemes and provided with further details concerning the proposals which will be made to them in due course. Details of the proposals will be set out in the Scheme Document and in separate letters to be sent to participants in the Share Schemes.

14. Strategic plans and employees

Strategic Plans

Bidco and Gazit have worked closely with Atrium management to understand the key areas of their strategy and plans for the business and expect to continue to build upon the 11 years of cooperation and support that Gazit has provided Atrium in achieving Atrium's business objectives. Following completion of the Acquisition, Gazit and Bidco will work with Atrium management to continue developing the strategy, operations and organisational structure of the business. The strategic focus of the business will be on owning and developing high-quality, urban retail and mixed use properties in major cities in Europe with strong demographics and in areas with attractive growth profiles including cities such as Warsaw and Prague.

Gazit and Bidco also intend to support Atrium in identifying and evaluating investment opportunities in real estate properties in various asset classes, including but not limited to retail properties, in urban locations in major cities in Europe that exhibit attractive long-term growth prospects.

Employees, employment rights and pensions

Bidco greatly values the skills, knowledge and expertise of Atrium's existing management and employees and therefore Bidco expects the existing personnel of Atrium to continue to contribute to the success of Atrium following completion of the Acquisition.

Bidco confirms that, following the Scheme becoming Effective, the existing contractual and statutory employment rights of all the employees of Atrium Group will continue to be safeguarded and their accrued rights to pensions benefits protected.

Retention Arrangements

Following the Scheme becoming effective, Bidco intends to review the board of directors, management, governance and incentive structure of Atrium. Bidco has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of Atrium's management, but may put in place incentive arrangements for certain members of Atrium's management team following completion of the Acquisition.

15. Structure of the Acquisition

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement between Atrium and the Scheme Shareholders, under Article 125 of the Companies Law. The purpose of the Scheme is to provide for Bidco to become the owner of the entire issued and to be issued share capital of Atrium. Under the Scheme, the Acquisition will be achieved by the transfer of the Scheme Shares by the Scheme Shareholders to Bidco in consideration for which the Scheme Shareholders will receive €3.75 per Scheme Share, less the amount of any Special Dividend, for each Scheme Share they hold. The procedure involves, among other things, an application by Atrium to the Court to sanction the Scheme.

The Acquisition is subject to the Conditions and certain further terms referred to in Appendix 1 to this Announcement and to the full terms and conditions to be set out in the Scheme Document and will only become Effective if the following events occur on or before the Long Stop Date:

- a resolution to approve the Scheme is passed by a majority in number of Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing not less than 3/4ths of the total voting rights held by those Scheme Shareholders (or relevant class or classes thereof, if applicable);
- the Resolution(s) necessary to implement the Scheme is/are passed by the requisite majority of Atrium Shareholders at the General Meeting (which will require the approval of Atrium Shareholders representing at least two thirds of the votes cast at the General Meeting either in person or by proxy);
- the Scheme is sanctioned by the Court at the Court Hearing (without modification, or with modification on terms agreed by Bidco and Atrium) by no later than 14 November 2019; and
- all other Conditions to the Scheme, as set out in Appendix 1 being satisfied or (where applicable) waived.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Scheme Shares will cease to be valid and entitlements to Atrium

Shares held within the CREST system will be cancelled. The cash consideration payable under the Scheme will be dispatched to Scheme Shareholders by Bidco no later than 14 days after the Effective Date.

Any Scheme Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Resolution(s) to be proposed at the General Meeting will, amongst other matters, provide that the Articles be amended to incorporate provisions requiring any Scheme Shares issued after the Scheme Record Time (other than to Bidco and/or their nominees) to be automatically transferred to Bidco on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the Articles (as amended) will avoid any person (other than Gazit, Bidco and their affiliates and nominees) holding shares in the capital of Atrium after the Effective Date.

If the Scheme does not become Effective on or before the Long Stop Date, it will lapse and the Acquisition will not proceed.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable for the Acquisition, and will specify the necessary actions to be taken by Atrium Shareholders. It is expected that the Scheme Document, together with the Forms of Proxy, will, following the Go-Shop period, be published within 12 weeks of this Announcement. Subject, amongst other things, to the satisfaction or waiver of the Conditions, it is expected that the Scheme will become Effective on 2 January 2020.

16. Delisting

Atrium Shares are currently listed and admitted to trading on the Amsterdam Stock Exchange and the Vienna Stock Exchange. Prior to the Scheme becoming Effective, Gazit, Bidco and Atrium will make an application for the cancellation of the listing and trading of Atrium Shares and for the cancellation of trading of Atrium Shares on the Amsterdam Stock Exchange to take effect on or shortly after the Effective Date. The Scheme Document will set out details of the expected last day of dealings in Atrium Shares on the Amsterdam Stock Exchange and the latest time for registration of transfers prior to the Effective Date. In addition, after the Effective Date, Atrium will no longer fulfil the mandatory listing requirements of the Vienna Stock Exchange and as a result, Vienna Stock Exchange will initiate a delisting procedure of Atrium Shares.

17. Disclosure of interests in Atrium relevant securities

Except as disclosed herein, as at the date of this Announcement neither Bidco, nor any director of either of Bidco, nor, as far as Bidco is aware, any person acting in concert with Bidco:

- has any interest in, or right to subscribe for, any relevant securities of Atrium; nor
- has any short position in relevant securities of Atrium, including any short position under a derivative, any binding agreement to sell, any delivery obligation or right to require another person to purchase or take delivery of relevant securities of Atrium;

Name	Capacity	Nature of Interest	Number of relevant securities held in Atrium
Chaim Katzman	Director of Bidco and Gazit	Shares	374,119
Chaim Katzman	Director of Bidco and Gazit	Options	190,000
Abigail Dixon	Daughter of Chaim Katzman	Shares	6,000
Bat-ami Gordon	Daughter of Chaim Katzman	Shares	6,000
Evrona Katzman	Daughter of Chaim Katzman	Shares	6,000
Samuel Messenberg	Director of Norstar Holdings, Inc (Gazit shareholder)	Shares	1,000

‘Interests in securities’ for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an ‘interest’ by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

18. Overseas shareholders

The availability of the Acquisition or the distribution of this Announcement to Atrium Shareholders who are not resident in the Netherlands, Austria or Jersey may be affected by the laws of their relevant jurisdiction. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. Atrium Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This Announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities. Atrium Shareholders are advised to read carefully the Scheme Document and related Forms of Proxy once these have been published.

19. General

The Acquisition will be made on the terms and subject to the Conditions and further terms set out in Appendix 1 and to be set out in the Scheme Document. A summary of the irrevocable undertakings is contained in Appendix 2. Certain terms used in this Announcement are defined in Appendix 3.

Bidco and Atrium have each given and not withdrawn their consent to the publication of this Announcement with the inclusion herein of the references to their names in the form and context in which they appear.

US Holders

US Holders should note that the Acquisition relates to the securities of a Jersey company listed on the Amsterdam Stock Exchange and the Vienna Stock Exchange and is subject to Dutch, Austrian and Jersey disclosure requirements and practices (which are different from those of the US) and is proposed to be implemented under a scheme of arrangement under Jersey company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules under the US Exchange Act, and the proxy solicitation rules under the US Exchange Act will not apply to the Acquisition. The Scheme will be subject to Dutch, Austrian and Jersey disclosure requirements and practices, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this Announcement and the Scheme Document has been or will have been prepared in accordance with IFRS, and thus may not be comparable to financial information of companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US.

The receipt of cash pursuant to the Acquisition by a US Holder as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Atrium Shareholder is urged to consult his independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him.

It may be difficult for US Holders to enforce their rights and claims arising out of the US federal securities laws, since Bidco and Atrium are located in countries other than the US, and some or all of their officers and directors may be residents of countries other than the US. US Holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Forward looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Bidco, Gazit and Atrium contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Bidco, Gazit and Atrium about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on Bidco, Gazit and Atrium, the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as “plans”, “expects” or “does not expect”, “is expected”, “is subject to”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would”, “might” or “will” be taken, occur or be achieved. Although Bidco, Gazit and Atrium believe that the expectations reflected in such forward-looking statements are reasonable, Bidco, Gazit and Atrium can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; as future market conditions, changes in general economic and business conditions, the behaviour of other market participants, the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco, Gazit and Atrium operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Bidco, Gazit and Atrium operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors. Neither Bidco nor Atrium, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations, neither Bidco, Gazit nor Atrium is under any obligation, and Bidco, Gazit and Atrium expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Appendix 1

Scheme approval

The Scheme will be conditional upon:

1. approval of the Scheme by a majority in number of the Scheme Shareholders representing not less than 3/4ths of the total voting rights held by the Scheme Shareholders (or the relevant class or classes thereof, if applicable) in each case present and voting, either in person or by proxy, at the Court Meeting or at any separate class meeting which may be required by the Court or at any adjournment of any such meetings;
2. all Resolutions being duly passed by the requisite majority at the General Meeting or at any adjournment thereof;

4. the recommendation of the Independent Committee of the Board of Directors not having been withdrawn, modified or qualified prior to the Scheme Sanction Time;
5. prior to the Scheme Sanction Time, there being no outstanding judgment, injunction, order or decree of a competent government authority in a Relevant Jurisdiction which makes it unlawful for the Acquisition to become effective in accordance with its terms or the other transactions contemplated by the Implementation Agreement;
6. no Material Adverse Change having occurred; and
7. Atrium not having, prior to the Scheme Sanction Time: (i) breached the Restricted Actions where any such breach is either incapable of being remedied within ten business days after receipt by Atrium of a written notice from Bidco or has not been remedied by Atrium within ten business days after receipt by Atrium of a written notice from Bidco; or (ii) breached any other terms of the Implementation Agreement where any such breach has or could reasonably be expected to have a material adverse effect on Atrium or the Acquisition, provided that, it shall be deemed a breach of material adverse effect where any such breach is either incapable of being remedied within 20 business days after receipt by Atrium of a written notice from Bidco or has not been remedied by Atrium within 20 business days after receipt of a written notice from Bidco.

Part B. Certain further terms of the Scheme and the Acquisition

1. Conditions 1 to 7 (inclusive) must be fulfilled, be determined by Bidco to be satisfied or (if capable of waiver) be waived prior to the commencement of the Court Hearing, failing which the Scheme will lapse.
2. Notwithstanding the paragraph above, Bidco reserves the right in their sole discretion to waive all or any of Conditions 4 to 7 (inclusive), in whole or in part and to proceed with the Court Hearing prior to the fulfilment, satisfaction or waiver of any of the Conditions 4 to 7 (inclusive).
3. Bidco shall be under no obligation under the terms and Conditions of the Acquisition to waive (if capable of waiver), to determine to be satisfied or to treat as fulfilled any of Conditions 4 to 7 (inclusive) by a date earlier than the latest date specified in paragraph 1 above, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are, at such earlier date, no circumstances indicating that any Condition may not be capable of fulfilment.
4. The Acquisition will be subject, *inter alia*, to the Conditions and certain further terms which are set out in this Appendix 1 and those terms which will be set out in the Scheme Document.
5. Atrium Shares will be acquired by Bidco fully paid and free from all liens, equitable interests, charges, encumbrances and other third party rights of any nature whatsoever and together with all rights attaching to them, including the right to receive and retain all dividends and distributions (if any) declared, made or paid after the Effective Date. If after the date of this Announcement and prior to the Effective Date, any dividend and/or other distribution and/or other return of value is declared, made or paid in respect of Atrium Shares, including the Special Dividend, Bidco will reduce the amount of consideration payable for such Atrium Shares under the terms of the Acquisition by an amount equivalent to such dividend, other distribution or return of value, except where the Scheme Shares are or will be acquired pursuant to the Scheme on a basis which entitles Bidco to receive and retain such dividend or other distribution. If Bidco makes such a reduction in respect of a dividend or other distribution, Atrium Shareholders will be entitled to receive and retain such dividend or other distribution. If any such dividend and/or other distribution and/or other return of capital occurs, any reference to this Announcement to the Offer Price shall be deemed to be a reference to the Offer Price as so reduced.
6. This Announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme, and any proxies will be governed by Jersey law and be subject to the jurisdiction of the Courts. The Acquisition will also be subject to the applicable requirements of the Amsterdam Stock Exchange, the Vienna Stock Exchange and the Registrar of Companies.

Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
